2011 Fall Brush Chipping Schedule

October 3rd – 21st

The Village of Fayette will chip brush beginning **October 3rd -21st**. The crew will pass each property a minimum of two times. Since brush pick-up is only for three weeks this year, the Village of Fayette will continue to accept brush down by the old barn off of Eagle Street (near the water tower). In accordance with ORDINANCE 953.02, an ordinance that prescribes curbside brush removal in the Village of Fayette, the following requirements apply:

- Not larger than three inches in diameter and not longer than six feet in length.
- Piled with all cut ends pointed toward the street.
- All thorny materials and branches must be bundled separately into bundles no larger than one foot in diameter and tied securely with cotton or equivalent string. Brush placed in bags and other containers will not be picked up.
- All dirt and debris must be removed from the upper plant structure and roots.
- The brush to be picked up originates within the boundaries of the Village.
- The brush to be picked up shall not in and of itself, or by nature of its packaging present a clear and present threat to the safety and welfare of any persons handling the brush and shall not constitute a threat to damage the equipment involved in the removal and transportation of the brush.
- Brush shall be placed on the Village right-of-way so that it does not impede traffic, present a hazard to pedestrians, blocks drains, alters the flow of storm water, blocks sidewalks, ditches, etc or in any other way or manner, endanger the general public.
- Brush rejected for pick-up must be removed from the right-of-way within three days.

The brush drop-off area by the old barn off Eagle Street (near the water tower) will remain open during the remainder of fall for the convenience of the village residents.
