2011 LEAF REMOVAL SCHEDULE

Monday, October 31st until Friday, November 18th

Due to a concern regarding the build up of leaves and debris in the storm and sanitary sewers, leaf removal will begin **Monday, October 31st and run until Friday, November 18th**. No scheduled leaf pick up is after November 18th. It will be the occupant's responsibility to remove the leaves from the property after November 18th, 2011. We anticipate reaching all neighborhoods twice. Please have your leaves ready for removal prior to October 31st.

Please follow the guidelines to have your leaves removed:

- The leaves must be located on the curb for removal, but not on the street.
- The leaves on the curb must be placed in a 36" wide formation and no higher than 24".
- No other debris can be in the leaf removal pile. Other items such as twigs and rocks cause damage to the leaf vacuum and result in costly repairs.
- No fecal matter permitted. Please pick up dog feces prior to raking your leaves. Fecal matter poses a health risk for the employees and your leaves will not be picked up.

Please contact the Village office at 419-237-2116 if you have any questions regarding the leaf removal.

Sincerely,

Amy S. Metz
Village Administrator
